B.S./MSAT Kinesiology

Athletic Training 5 year

2017-2018 Texas Common Course Numbering System Advising Guide

Degree Specific

- This evaluation is contingent on the successful completion of each class. Please note this evaluation is designed with **prerequisites and course rotation in mind.**
- Students in the BS/MSAT 5 YR concentration must apply for and be accepted into BOTH Tarleton State University's College of Graduate Studies, as well as, the MSAT program in order to complete this degree concentration. The application process will occur during the fall semester of year 3 of the BS program. Each cohort will begin summer following the semester in which the student applied.
- Students in the ATRN program must have approval of the MSAT program director prior to submitting the degree plan.
- Students in the BS/MSAT 5 YR concentration **must maintain a 3.0** undergraduate cumulative GPA.
- Transfer students must complete a minimum of two full-time semesters and 24 hours at Tarleton State University.
- If students decide that they do not want to complete or are not accepted into the MSAT program, they can transition to the BS degree with a concentration in Exercise and Allied Health Professions.

Degree Information

- Texas Common Course Numbering System (TCCNS) provides a shared, uniform set of course designations for students and their advisors to use in determining both course equivalency and degree applicability of transfer credit on a statewide basis.
- This five-year degree plan provides a model for on-time completion of this TSU program using as many TCCNS courses as possible. The five-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. Course availability at TSU is subject to change, and the plan may change based on updates to TSU's course offerings.
- **Individual academic programs may require specific courses contained in parts of the University Core Curriculum as prerequisites for certain major requirements.** Students who wish to take courses that will fulfill both core and major requirements simultaneously should check with academic advisors for assistance in selecting core courses.
- Students meet the Writing Proficiency Requirement by completing two upper-level Writing Intensive courses in their major or courses designed for their degree program. Contact the Academic Advisor for additional information or questions.
- Residence is satisfied only by official enrollment in and completion of course work applied toward the degree requirements.
 - A minimum of 30 semester hours of work must be completed through upper level courses (3000 or 4000 level) delivered by Tarleton and 12 of these advanced hours must be in the major.
- How does duplicating a course impact my GPA?
 - A student may take a course a second or subsequent time at the same institution. The highest grade will be included in the GPA calculation.
- Can I take a course at another school and transfer it back to TSU?
 - If you plan to take a course at another school and transfer it back to TSU, you need to meet with both an advisor and Transfer Services. An advisor can tell you the correct course number to take and assist with completion of a Concurrent Enrollment Form if needed.
