Spanish Teacher Certification

2017-2018 Texas Common Course Numbering System Advising Guide

Degree Specific

- This 8 semester evaluation is contingent on the successful completion of each class. Please note this evaluation is designed with **prerequisites and course rotation in mind.**
- A **2.75 GPA overall** and in *each* of the notated areas is required for admission and must be maintained for program continuation and certification.
- **No grade lower than a "C"** in Professional Education, Certification Area, Reading, and the 9 hours of required English. A grade of **"B"** or better is required for Communications.
- Completion of at least 12 hours in Certification Area is required for admission to the Teacher Education Program.
- **See Spanish advisor for department-specific requirements and for credit by examination for Spanish 1411, 1412, 2311, and 2312.**
- It is highly recommended that students complete SPAN 4300*, SPAN 4306, and SPAN 4307* concurrently in the same semester.
- Students should complete their application to the Educator Preparation Program, as well as the Departmental Screening Assessment, during the semester in which they are enrolled in EDUC 3320.
- Both the Content and PPR exams must be completed prior to student-teaching.
- *Degree and certification requirements are subject to change.*

Degree Information

- Texas Common Course Numbering System (TCCNS) provides a shared, uniform set of course designations for students and their advisors to use in determining both course equivalency and degree applicability of transfer credit on a statewide basis.
- This 120 hour four-year degree plan provides a model for on-time completion of this TSU program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. Course availability at TSU is subject to change, and the plan may change based on updates to TSU's course offerings.
- **Individual academic programs may require specific courses contained in parts of the University Core Curriculum as prerequisites for certain major requirements.** Students who wish to take courses that will fulfill both core and major requirements simultaneously should check with academic advisors for assistance in selecting core courses.
- Students meet the Writing Proficiency Requirement by completing two upper-level Writing Intensive courses in their major or courses designed for their degree program. Contact the Academic Advisor for additional information or questions.
- Residence is satisfied only by official enrollment in and completion of course work applied toward the degree requirements.
- A minimum of 30 semester hours of work counted toward the degree must be completed with Tarleton. The work completed at Tarleton and counted toward the degree must include at least 24 advanced hours (3000 or 4000 level) and 12 of these advanced hours must be in the major subject.
- How does duplicating a course impact my GPA?
A student may take a course a second or subsequent time at the same institution. The highest grade will be included in the GPA calculation.
- Can I take a course at another school and transfer it back to TSU?
If you plan to take a course at another school and transfer it back to TSU, you need to meet with both an advisor and Transfer Services. An advisor can tell you the correct course number to take and assist with completion of a Concurrent Enrollment Form if needed.
