## 2018-2019 Texas Common Course Numbering System Advising Guide

### Degree Specific

- Exception SOCW 3377 will be substituted by DAAC 1304.
- This 8 semester evaluation is contingent on the successful completion of each class. Please note this evaluation is designed with **prerequisites and course rotation in mind.**  
Completion of SOCW 2362 – Social Welfare in America, SOCW 2361 – Introduction to Social Work, SOCW 3300 – Methods and Skills of Interviewing and a fourth social work course with a grade of “C” or better. If the student is enrolled in social work courses at the time of application, acceptance will be contingent upon the successful completion of the courses with a grade of “C” or better.
- Maintain a minimum “2.5” overall GPA and a grade of “C” or better in all social work courses.
- Students will be required to retake any social work course in which a grade of “C” or better is not achieved.
- This degree is accredited by the Council on Social Work Education.
- In order to obtain a license in Social Work in the state of Texas, one must obtain a Bachelor's of Social Work or a Master's of Social Work.
- Credit for SPAN courses can be obtained by successful completion of "credit by exam" offered through our English & Language department.

### Degree Information

- Texas Common Course Numbering System (TCCNS) provides a shared, uniform set of course designations for students and their advisors to use in determining both course equivalency and degree applicability of transfer credit on a statewide basis.  
This 120 hour four-year degree plan provides a model for on-time completion of this TSU program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. Course availability at TSU is subject to change, and the plan may change based on updates to TSU's course offerings.
- **Individual academic programs may require specific courses contained in parts of the University Core Curriculum as prerequisites for certain major requirements.** Students who wish to take courses that will fulfill both core and major requirements simultaneously should check with academic advisors for assistance in selecting core courses.
- Students meet the Writing Proficiency Requirement by completing two upper-level Writing Intensive courses in their major or courses designed for their degree program. Contact the Academic Advisor for additional information or questions.
- Residence is satisfied only by official enrollment in and completion of course work applied toward the degree requirements.  
A minimum of 30 semester hours of work must be completed through upper level courses (3000 or 4000 level) delivered by Tarleton and 12 of these advanced hours must be in the major.
- How does duplicating a course impact my GPA?  
A student may take a course a second or subsequent time at the same institution. The highest grade will be included in the GPA calculation.
- Can I take a course at another school and transfer it back to TSU?  
If you plan to take a course at another school and transfer it back to TSU, you need to meet with both an advisor and Transfer Services. An advisor can tell you the correct course number to take and assist with completion of a Concurrent Enrollment Form if
