Degree Completion: 120 hours

## Degree Specific

- This 8 semester evaluation is contingent on the successful completion of each class.
- Please note this evaluation is designed with **prerequisites and course rotation in mind.**
- Advanced Business Electives can be any 3 or 4 thousand level courses in AGEC, ACCT, ADMS, BCIS, ECON, FINC, BUSI, MGMT, REST, BLAW, and/or MKTG.
- Advanced Ag Electives include any class with the prefix AGEC, AGRI, ACOM, HORT, AGSD, ANSC, VETE, WSES, RNRM, ENV5, PSSC, and/or ENTO.
- AGEC 4325 and AGEC 4306 will be offered as a face-to-face section, but will also be offered remotely for distance learners.
- Students are encouraged to take MATH 1324 and then MATH 1325. MATH 1314 is acceptable on a case by case basis.

## Degree Information

- Texas Common Course Numbering System (TCCNS) provides a statewide shared, uniform set of course designations to use in determining course equivalency and degree applicability of transfer credit.

- This four-year degree plan provides a model for on-time degree completion using as many TCCNS courses as possible. The plan also shows the first point when no TCCNS options are available for this degree. See the current Undergraduate Catalog for course prerequisites. Course availability at TSU is subject to change, and the plan may change based on updates to TSU's course offerings.

- **Individual academic programs may require specific courses contained in parts of the University Core Curriculum as prerequisites for certain major requirements.** Students who wish to take courses that will fulfill both core and major requirements simultaneously should check with academic advisors for assistance in selecting core courses.

- Students meet the Writing Proficiency Requirement by completing two upper-level Writing Intensive courses in their major or courses designed for their degree program. Contact the Academic Advisor for additional information or questions.

- Residence is satisfied only by official enrollment in and completion of course work applied toward the degree requirements.

- A minimum of 30 semester hours of work must be completed through upper level courses (3000 or 4000 level) delivered by Tarleton and 12 of these advanced hours must be in the major.

- A student may take a course a second or subsequent time at the same institution. The highest grade will be included in the GPA calculation.

- If you plan to take a course at another school and transfer it back to TSU, you need to meet with both an advisor and Transfer Services. An advisor can tell you the correct course number to take and assist with completion of a Concurrent Enrollment Form if needed.
