#### 2018-2019 Texas Common Course Numbering System Advising Guide

#### Degree Specific

- This 8 semester evaluation is contingent on the successful completion of each class. Please note this evaluation is designed with **prerequisites and course rotation in mind**.
- KINE 4305 pre-requisites include completion of KINE 1219, 15 PD points, and 90 hours of coursework. It is recommended that students enroll in this course the semester prior to KINE 4682.
- Students are required to meet with the internship director and attend a departmental internship meeting prior to enrolling in KINE 4682.
- Completion of MATH 1314 or 2412 to meet the TSU Core: MATHEMATICS area are highly recommended prior to enrolling in pre-professional electives.
- Pre-Professional Electives (22 hours/9 hours ADV): KINE Electives (2000, 3000, or 4000), General Electives, ENGL 3309, BIOL 1406, BIOL 1407, BIOL 3407, CHEM 1411, CHEM 1412, CHEM 4374, PHYS 1401, PHYS 1402, PSYC 3307, PSYC 3310, MATH 3450 SOCI 1301, HPTC 4349, HPTC 4350, and/or approved related courses.
- Once students have reached 45 credit hours they will be referred to a faculty advisor within the department.

#### Degree Information

- Texas Common Course Numbering System (TCCNS) provides a shared, uniform set of course designations for students and their advisors to use in determining both course equivalency and degree applicability of transfer credit on a statewide basis.

This 120 hour four-year degree plan provides a model for on-time completion of this TSU program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. Course availability at TSU is subject to change, and the plan may change based on updates to TSU's course offerings.
- **Individual academic programs may require specific courses contained in parts of the University Core Curriculum as prerequisites for certain major requirements.**

Students who wish to take courses that will fulfill both core and major requirements simultaneously should check with academic advisors for assistance in selecting core courses.
- Students meet the Writing Proficiency Requirement by completing two upper-level Writing Intensive courses in their major or courses designed for their degree program. Contact the Academic Advisor for additional information or questions.
- Residence is satisfied only by official enrollment in and completion of course work applied toward the degree requirements.

A minimum of 30 semester hours of work must be completed through upper level courses (3000 or 4000 level) delivered by Tarleton and 12 advanced hours must be in the major.
- How does duplicating a course impact my GPA?

A student may take a course a second or subsequent time at the same institution. The highest grade will be included in the GPA calculation.
- Can I take a course at another school and transfer it back to TSU?

If you plan to take a course at another school and transfer it back to TSU, you need to meet with both an advisor and Transfer Services. An advisor can tell you the correct course number to take and assist with completion of a Concurrent Enrollment Form if needed.
